_____

News flash, The first garage crawl has been changed from 1/14/12 to the next saturday january 21st and will be at Bud Stout's car collection. Then it is planned to continue on to Silver Dollar for some lunch. Plan is to meet at the regular place (The Out post / Shell station) and leave at a little before 9:00am for the short drive to Bud's garage. Kim and I will be out of town for that weekend so I hope Darrell will lead the way (since he has planned this with Bud). Hope everyone has a good time, maybe someone will take some pictures and post them in our news letter (hint - hint). There is also some interest from the Vintiques club and they may also be showing up.

Have fun Mike.

_____

It's on, the first winter garage crawl will be this next saturday the 25th at Bud Stouts car collection in Sunnyside. The departure time is at 9:30 am and we will meet at the usual, the Out post Shell station at around 9:00 am so we can leave as a group. If the weather is some what ok some might even drive there streetrods or trucks, Bud would like that too. If everyone is up to it we may also continue on to the Silver Dollar restaurant for some lunch, but they would like to know in advance how many would attend. So I will get a head count before and give them a call before we would go. Hope to see everyone there, Mike.
